The Foundation for Inner Peace

A Course In Miracles is likely the most powerful, clear, and thorough approach to enlightenment available. This is the best recording of this material and it is optimized for listening and comprehension.

This recording is of Part 3 of 4 of A Course In Miracles 3rd Edition by the Foundation for Inner Peace and includes The Clarification of Terms. Its question-and-answer format makes it a great place to start and required material for serious students and teachers.

Spiritual Ear carefully optimized this recording for listening by inserting the word TRUE to indicate capitalization, i.e. to distinguish self from Self; the proper nouns from the page are occasionally used to clarify pronouns such as he or it, and harp music indicates italicized and indented passages.

This recording by Spiritual Ear Audio is read by Andrew Allansmith, a professional narrator and long-time student and teacher of A Course In Miracles. Andrew carefully reads this powerful work with engaging energy, well-placed emphasis, and much welcomed pauses around the more powerful phrases. The reading style is gentle but confident. Spiritual Ear adds a touch of music to indicate section changes.
