USA TODAY BESTSELLING AUTHOR

Take the plunge with Beth Parker and be ready to fall headfirst Into the Blue...

"I promise. Wherever you are, Beth, I will always be with you," ~ Ayden

Blue Genes is the continuation of the bestselling trilogy, The Story of Us.

Handsome, media magnate, Ayden Stone came into Beth Parker's life like a bolt out of the blue, introducing her to an extravagant lifestyle filled with promises, new experiences and sensual pleasures. Possessed by love, they have fulfilled a childhood dream to be man and wife, believing nothing can come between them 'until death do us part.'

Having been tortured by tragic events involving angels and demons from their past, these star-crossed lovers are ready to start a new chapter in their lives. Now, family comes first.

But which family?

Time is running out! Difficult decisions must be made that will stretch their fated bond to its very limit.

Unforeseen enemies are conspiring and about to test the very foundation of their relationship--trust.

Blue Genes is an emotional, adult fairy-tale that transcends the ordinary: a sensual, suspense filled story overflowing with love, laughter and a longing for a happy ever after.

But sometimes, longing just isn't enough...

86,000 words of soul-searching and sensuality.
