**Common Sense Pediatrics: Combining Alternative and Traditional Medicine in Everyday Practice S. Cornelia Franz MD**

This book is a loving compilation of amazing things I have learned in my pediatric practice. It combines the essentials of everyday pediatrics on raising healthy children as well as alternative options to treating illnesses, when appropriate. The body is more than the sum of its parts, and I have learned that when one sees the person as a whole being- emotional, physical, and spiritual- that healing can be deeper and more thorough than just treating symptoms.
