Kilo 17: The Secret War Against the Drug Smugglers Harry Ferguson

"Kilo 17" gives the inside story of a close-knit Customs team during a major drugs investigation. As an Oxford-educated, former member of MI6, Harry is promoted straight over the heads of more experienced officers. But with no previous experience of the drugs world, the Kilos think they need Harry like a hole in the head. But Harry sticks at the job and begins to make progress with his investigation into the affairs of Frank Davies, the local Mister Big. And in the long desperate hunt for evidence, involving a transit van smashing through the front window of an Indian restaurant, chance tip-offs, a moonlit search for a missing ex-SAS soldier, a dawn raid on a fortress-like country house and barely legal flights by light aircraft to Holland, the Kilos begin to chip away at Frank Davies' criminal empire.
