Messages from The Ancient Ones: Year One (Messages from The Ancient Ones - Spirituality, Consciousness, Self Help & Personal Growth (Akin to: Esther Hicks & Eckhart Tolle Book 1)) Stacey Stephens

“If you're a fan of the Abraham/Esther Hicks channeled books, you will enjoy Messages from the Ancient Ones by Stacey Stephens. Well organized by topics such as Compassion, Empowerment, Relationships, Integrity, etc., the ideas presented are upbeat and almost utopian. If everyone took the advice to live by the ideals in this book, it would be a better place indeed. I used the chapters as a daily devotional in the mornings. There are pictures to set the tone for each chapter, which is a creative way to utilize the need freedoms of digital publishing. The messages are reminiscent of A Course in Miracles talking about ego-based thinking and urging readers to breakthrough to an era of Divinity. This book is part of the New Thought movement of spirituality. For those of us well-versed in this type of philosophy, it doesn't break new ground. However, it is a good presentation of the ideas and presents a hopeful image of what the human experience can be.” ~ Dana Taylor, author of Ever Flowing Streams

Welcome to a Remarkable Collection of Timeless Wisdom in this published collection of the first full year of public communications from The Ancient Ones.

Introducing, The Ancient Ones:

“We are eternal beings of non-physical form. We make up a group of three, forming a council, for the guidance of Mankind, back to their original design as men and women. Our purpose is to assist everyone who is interested to develop their divine inner guidance, to direct themselves toward a humanity that is once again sacred and connected as One, in true camaraderie.”

These masters share transformative truths about:

- Self Mastery;
- Prosperity;
- Health and Energy;
- Creativity;
- Life Purpose

“Wake up from the slumber that this ego-dominated world has put you in. Take charge of your life, and participate with humanity to overthrow the prison of your mind. Become an activist for a future where life is celebrated, real love is shared, and individuality is encouraged within the entirety of the whole. True expression is found within your heart. Open wide.” – The Ancient Ones
