Parole Violation - Forbidden & Fertile Brats Danielle Sinclair

“Don’t pretend you don’t want me. You must be so frustrated. I want to help. I want to be the first woman to satisfy your needs,” I said.

Vicky hasn’t seen Joe in years. He was sent to the prison for a minor drug offense and she lost the only stable force in her life. But now, Joe tracks her down and asks for a place to stay. He’s been paroled. Vicky can’t turn down the former man of the house and she can’t resist his prison tattoos and hard earned muscles.

She’s all grown up now and Vicky plans to give herself fully and completely to the man that raised her. And after all that time in prison, he’s going to take her desperately hard and deliciously unprotected.
