How can you give your children the tools they need to teach themselves? Long ago students were first taught how to learn. Today, students are taught an encyclopedia of subjects trivia but they are not taught the basic skills of learning: to discover, to reason, and to apply. They are not taught the trivium.

Can you homeschool in a classical style without compromising your Christian principles? Classical Education must be sifted through the critical screen of the Scriptures to be transformed into a Biblical model.

Can you homeschool in a classical style without buckling under the burden? There is only so much time in the day. For every subject, and for every age, we have a workable plan which leaves you free to breathe. You can continue to use other approaches to homeschooling within the framework of classical education.

Is homeschooling about renewing family vision? The family is at the heart of God's plan for restoring Christian culture. Homeschooling is not alternative education. Homeschooling was here first. We want to restore Biblical order to education.
