The Cries of Men takes a virgin journey of homophobia in the realm of Jamaica's social fabric. Dennis reveals the powerful and intriguing stories of Jamaican male sexual abuse survivors, but also divulges unknown facts about Jamaican society- including the concept that homosexuality is an evil act, punishable by imprisonment of up to ten years of hard labor. Yet each week in Jamaica, there are over fifteen reported cases of sexual abuse of young men and boys, many more cases go unreported because men fear for their lives if they disclose the abuse.
