NEVER SAY NEVER (Book 1)

New Adult Contemporary (for 17 and up)

What girl wouldn't want to be surrounded by the sexy guys from the hottest teen rock sensation in the country? 18-year-old Never "Neve" Knight, not only is surrounded by the hottest boys to hit the music charts, but she is the band's lead singer. As the band's lead singer and manager, Never formed and shaped the band to where it is today, a band on the rise and on the brink of being signed by a label.

As one of the guys, she knew each of the band members since they were all snot-nose ten-year-olds. While her boys were the cutest guys and they would protect her like knights, she couldn't date any one of them and ruin the chance at being signed with the record label of her dreams. That changes when one of the band members suddenly drops out of the band, and in walks Danny Blue, with his dreamy blue eyes, hot body, and British accent. Suddenly, Never's solid world has turned to mush, and her rule for not dating one of her band members is seriously challenged. Can she keep her head straight and get her band signed with a label without losing her heart? Can Never change her tune of saying "never to dating a band member" to "never say never"?

Never Say Never is a rock-filled sexual awakening novel about friendship, first love, forbidden love, taking risks, staying true to yourself, college life, becoming an adult, and following your dreams.

NEVER LAND (BOOK 2)

Welcome to Never Land, the land of Never and the world of rock, the world of new experiences and sensations, a world where music runs through the veins of the dedicated, and love is taken and given with consequences. Never (Neve) Knight, the lead singer and manager of a band filled with the hottest guys in rock finally gets the dream that she wanted: a label signing her band The Never Knights. It is what she always wanted, a band of her own and playing her own kind of music. Getting her band to where it was came at a high price, including giving up the man who makes her heart race and her blood pound, the man who caused her to nearly lose her band. As she gets ready to go on her world tour, fate brings her close to Danny Blue again, and she's not sure if she can give him up a second time even if it means losing the band.

NEVER ENDING (BOOK 3)

Never Knight, the daughter of a rock legend, and the only young woman in a band of hot sexy guys saw her world come crumbling down right when she was at the top. In an impossible love with her sexy British guitarist Danny Blue, against her own rule of not dating anyone in her own band, she gets the rudest awakening in her life as she gets thrown into a vicious game played by all. Danny Blue, sexy rock star, who had hidden most of his life away from his eccentric billionaire father's past, is torn between wanting Neve and doing what's right for the band and for his family. Can he give up his desire and endless hunger for Neve to save the band or would his growing love for her destroy everything they've been fighting for? Or will everything he has drive Neve into the arms of another or away forever?

Never Ending is the final book of the Never Knights Trilogy which explodes with emotions, wit, and all the drama of a Hollywood story in an heart-wrenching conclusion.
