The Office of Mercy

Ariel Djanikian

The Office of Mercy Ariel Djanikian

“A cool and compelling” (*Flavorwire*) debut of a new postapocalyptic world for fans of *The Hunger Games*

On the screen and on the page, dystopian fantasies have captivated the public imagination. In *The Office of Mercy*, debut novelist Ariel Djanikian has conceived a chilling, post-apocalyptic page-turner that has earned her glowing comparisons to George Orwell and Suzanne Collins.

In America-Five, there is no suffering, hunger, or inequality. Its citizens inhabit a high-tech Utopia established after a global catastrophe known as the Storm radically altered the planet. Twenty-four-year-old Natasha Wiley works in the Office of Mercy, tasked with humanely terminating—or “sweeping”—the nomadic Storm survivors who live Outside. But after she joins a select team and ventures Outside for the first time, Natasha slowly unravels the mysteries surrounding the Storm—and the secretive elders who run America-Five.
