Yellow Emperor's Cure: A Novel Kanal Basu

In a breakout novel that transports the reader to a brilliantly imagined, sensuously portrayed, dangerous point in history, Kunal Basu has written the tale of a man's journey that spans continents - and the limits of his faith in science.

Lisbon, 1898: Antonio Maria, surgeon and notorious playboy, returns home after a long absence to learn his beloved father has syphilis, the scourge of both rich and poor. Determined to find a cure, Antonio sets sail for Peking, to study under the evasive but renowned Dr. Xu. But Dr. Xu does not intend to give away his knowledge, and Antonio suddenly falls in love with his assistant, the elusive Fumi. The threat of the advancing Boxer rebellion hangs over the Summer Palace, and Antonio and Fumi must decide whether to flee together or remain in China.

Kunal Basu's lush, haunting tale invites comparisons to Michael Ondaatje's best work. This superb novel conjures a man discovering the love that will force him to question everything.
