## **Black Cat: Not all Black Cats are Bad Luck (Volume 1)** Ms Rissa K. Felice

You've heard of Were-wolves right? Vampires, Pixies, witches and wizards. Maybe even read a few on Were-beasts, you know the wide spectrum of furry people, sorry people that turn furry or feathery. But have you ever heard of the opposite? Sybelle Vertigo has a soft spot for animals, especially those cruelly mistreated stray black cats. she scoffs at the old folktales of Witches Familiars, or the urban myths that they bring bad luck. She thinks those people are to stupid to understand. When she finds a poor abandoned black cat on a rainy day, it will change her life. Sybelle is going to realize how small her world has been up to that moment. But her kind nature may be her undoing in a world where everybody is her enemy and her only friend is a not so simple Black cat.
