Have you always wanted to learn Spanish but don't have the time to dedicate to attending classes or spending hours with books? The Coffee Break Spanish course will help you learn the language where and when it suits you. Based on the popular podcast series, used by millions of learners around the world since 2006, Coffee Break Spanish for the Kindle will help you learn Spanish in easy steps.

The series features eighty lessons, and this ebook provides lessons 71-75 of the course. In addition to the comprehensive lesson notes provided, the course features download links for the accompanying audio lessons. Each lesson lasts around 15 minutes and is presented by teacher Mark, working alongside student Kara, so you can learn with Kara and perfect your Spanish.

In lessons 71-75 you will be improving your listening skills and building your vocabulary and range of expression. Most of the lessons follow the story of Andrew, a student from the north of England, who meets Spanish girl María-José, while on a Spanish course in Spain. The series of lessons features conversations about holidays, birthdays and scenarios in which María-José takes her friend to a café for lunch and María-José helps Andrew with some preparation for his Spanish course. In later lessons you'll learn to cope with a variety of situations encountered while travelling in a Spanish-speaking area, and to recognise the patterns of the language, allowing you to say what you want to say.

Please note that this ebook features lesson guides which accompany the free audio lessons. These audio lessons can be downloaded from the Radio Lingua website. Links are provided in the book. It is possible to listen to the audio lessons on your Kindle while reading the text. Details are given in the appendix.
