When you find a spaceship in your backyard, what do you do? Choose from three: Phone the police. Scream. Go yell at the alien for wrecking your garden. Lucy confronts the inept pilot and the last option turns out to be both the right and wrong choice. She's torn between fury that gorgeous alien hunk Three has decapitated her statue of Eros, and a longing that he enliven her boring life and whisk her to the stars. Three doesn't give her a choice when he throws her over his shoulder and takes her into space. Lucy soon finds herself exploring alien territory in ways she never imagined. Three's efforts to hide and protect her on the mother ship are stymied by his inability to keep his hands off the luscious Lucy. But Three and Lucy are being observed. Three's friend Hyll has been in unrequited lust with Three for years. And he wants what Lucy's getting. When lust turns to love, it comes from a most unexpected quarter.
