Three people share the spotlight in **THE BOYS FROM BOULDER**: Randall Simon, Roman Lundt, and Emma Taylor. Randall and Roman preside over a hugely popular website, Satyricon.com. Into kinky, perverse, and illegal pornography? A group of fellow offenders is just waiting to meet you online. Randall and Roman blackmail only those clients with the deepest pockets and the most to lose. Experts in electrical and computer engineering, there isn't a computer system they can't breach. Emma Taylor is an unlikely heroine, a high school English teacher. She arrives home to find that her husband, a lieutenant colonel in the Air Force, who teaches law at the Air Force Academy, has committed suicide. A highly respected and honored member of the Air Force JAG team, there is no apparent reason for his suicide. Emma's nightmare begins when Jane, her three-year-old daughter, is kidnapped. An autopsy reveals that her husband's death may not have been suicide. Scheduled the upcoming week to fly to Washington, D.C., no one knows whom Taylor was to meet. Agents with the USAFA Office of Special Investigation, hoping to quickly close the case, point the finger at Emma. In order to save her daughter, prove her innocence and expose the people who are trying to destroy her life, Emma must ally herself with a demon from her own past, her father.
