D-Day In The Ashes William W. Johnstone

"We don't fool around with two-bit warlords, punks, and thugs. If they oppose us, they're dead." --Ben Raines

Target: Europe

First the Liberals took all the guns. Then they took away the people's freedom. Now, Ben Raines and his patriot army are driving a weakened United States government into full-fledged retreat. Emerging as an unstoppable force, the Southern States are winning over one strategic ally after another, from the states in the American Northwest to the Canadian provinces--all wanting to be a part of a society based on law, justice, and old-fashioned values enforced by the barrel of a gun.

But to be recognized by the world community, the Southern States of America must pay a price. The U.N. wants Ben Raines's warriors to play cops in a world overrun by criminals, gangs, and cannibalistic punks. Now, Raines and his army must engage in an all-out war of liberation across a crime-ravaged Europe, one bloody mile at a time. . .
