## **Learn the Fundamental Philosophies from Socrates, the Famous Ancient Greek Philosopher**

**~ READ FREE WITH KINDLE UNLIMITED ~BONUS RIGHT AFTER THE CONCLUSION - ACT NOW BEFORE GONE!**

### **You've come to the right place to learn about Life & Philosophy**

Socrates is perhaps the most celebrated of all ancient philosophers. Credited as a founder father of Western philosophy, he is well known for his dialogues with his students and for thinking in terms of ethics and morals. He was also the mentor of other famous Greek philosophers, such as Plato and Xenophon. Socrates was an honest thinker that wanted his students to think of the answers themselves, instead of having the teacher provide the solution. He was also a strong advocate of justice. He took his last stand by accepting Athenian law of being sentenced to death, instead of fleeing for his life. Socrates is truly a remarkable human being worth examining.

In this book, we will discover who Socrates was, what he stood for, and the lessons he taught us throughout his life time. His concepts of virtues will be discussed in full detail, and his best theories will be explained once and for all.

### **Here's a Preview of What You Will Learn**

- \* What made Socrates different from other philosophers of his time?
- \* Why did other philosophers oppose him?
- \* How Greek law influenced Socrates' thinking
- \* The Socratic Method explained
- \* Why is an unexamined life not worth living?
- \* and much much more!
