Spider Sparrow Dick King-Smith

Spider Sparrow has always been different. Abandoned as an infant in a lambing pen and adopted by a kindly shepherd and his wife, Spider's life is unusual from the start. As he grows, it becomes clear that he is not like other children: he can't walk, talk, or learn like them. But Spider has a gift: he can imitate perfectly the sounds of animals. The animals—and his community—love him for it.

For Spider, the world may be a difficult place, but he lives each day with joy and courage. And those who meet Spider will never forget him.
