Bared to the Laird (Highland Bound) Eliza Knight

Secret obsession makes for the sweetest of sins. Overwhelmed by her new life in another era with the Laird of Gealach, and the feelings that threaten to consume her, Emma determines she must return to her own time and a semblance of sanity. Having heard of a magical circle of stones atop the ridge overlooking Loch Ness, she manages to escape from the castle and the desire and intensity of Logan that's held her captive. When Logan realizes Emma is missing, he is enraged and terrified. He seeks to find her and when he does, he will punish her exquisitely for leaving him, and for inexplicably exposing his scorching fascination and adoration. Together again, their passions are reignited and a new stunning level of sensuality and self-discovery invoked. But underneath it all, both still wrestle with their inner demons and the impending danger of angered clans and traitors among them. Revealing how they feel about each other could bring about cataclysmic crash within their hearts and the realm. The blade is sharp on both edges, but they know not which side to choose, for one promises sweet, decadent surrender and the other, irrevocable damage—and they aren't certain which is which. Will baring her soul to the Highlander forever change the course of history? This the second book in the HIGHLAND BOUND trilogy and is intended for mature audiences only. Praise for BEHIND THE PLAID (Book One: Highland Bound Trilogy) 4 ½ stars and a Top Pick from Night Owl Romance! “Wickedly sinful, arousingly erotic, and delightfully delicious, Logan is the stuff that naughty Highlander dreams are made of.”
