Ever wonder what goes on behind the scenes in a male strip club? Are those guys gay? How do they stay so ripped? Do they stuff their trunks? How did they get into such a business? How much money do they make? Do they have wild sex every night?

This book takes you backstage and into the lives of two successful male strippers over a span of twenty years in the business. From their rookie days to their wild sexcapades and practical jokes, Take It Off! is a laugh-filled, action-packed joyride.

Justin Whitfield and Taylor Cole are the stage names of male exotic dancers who have performed for women in Europe, the Caribbean, South America and Canada, as well as at various casinos, on cruise ships and in hundreds of clubs across the United States. Both have been featured on television and radio, as well as in newspapers, calendars and magazines. Both are also official Ellora's Caveman cover models and appear on our erotic romance covers and at our conventions and tradeshow.
