## What do you do when your mate is the boy you grew up with?

Curvy human Tamsin loves a forbidden male, the son of the Clan Alpha. She knows she can't have him- wouldn't their union tear the family apart? But when Luth refuses to allow her to marry her stuffy fiance, a rival Bear, Tamsin realizes that maybe the burn isn't one-sided...

She's marrying that dry stick Branson? Oh, yeah? She's got another thing coming. His Dad has been telling him for years not to let the one get away- they were already adults when the two families blended. But Luth has held out, trying to do the right thing. Well, \*uck the right thing. It's time to claim his female, whether the family likes it or not. And if he has to challenge a Bear or two along the way... exercise does a body good.

This is a steamy 14K bear shifter paranormal romance set in the same world as Clan Conroy Brides and Royal Bears. Standalone, HEA, great for readers who enjoy a quick, satisfying lunch or bedtime read. You'll love the alpha males, feisty bbw and scorching love scenes.
