A Greek Alphabetarion: A Primer for Teaching How to Read, Write & Pronounce Ancient & Biblical Greek Harvey Bluedorn

Before we can learn a language, we must master its alphabet. Yet many Greek grammars spend little time teaching the symbols and sounds of the Greek alphabet. Failure to master the basics of a language -- its spelling and phonics rules -- will cripple our progress in mastering the whole language. This new edition of A Greek Alphabetarion has been thoroughly revised and reformatted to make it easier for parents to teach their children, and for older students to learn by themselves. A syllabary (practice blending consonants and vowels) and a chrestomathy (practice reading sample passages) have been added in this new edition. A Greek Alphabetarion teaches the Greek alphabet in alphabetical order, letter by letter, using a rhythmic cadence to aid the student's memorization. Then, it teaches the alphabet in phonetic order, classifying each letter by its sound. A Greek Alphabetarion helps the student step-by-step to master reading Greek before moving on to study Greek grammar. Suitable for all ages, child through adult, in homeschools, private schools, colleges, and seminaries. Pronunciation CD included. Designed to be accompanied by A Greek Hupogrammon: A Beginner's Copybook for the Greek Alphabet with Pronunciations by Harvey Bluedorn.
