After the success of the anthology Paradox, dev authors have gathered together again to bring you more short stories, novellas, and essays about men with physical disabilities and those who love them.

From lyrical romance to soul-searching memoir, the honesty and depth of feeling in these stories will open your heart and make you believe in love.

At the end is a very special section where eight devs anonymously tell the true stories of how they first discovered their attraction and what it has meant in their lives.

The majority of the proceeds from sales of these books is donated to the SCI charity LifeRollsOn.org
