**“My kingdom for my queen.”** With their dream within grasp, Johnny and Lola make an offer on Hey Joe—only to discover a million dollars doesn’t go as far as they’d thought. As the price of the bar rises and expenses pile up, Lola begins to question if this is what she really wants. Lola knows she can solve their problems with one phone call, but she may risk going too far to have it all. Because she’s not dealing with just anyone—she’s dealing with a master. For Beau Olivier, there’s no such thing as too far. There is only conquest. There is only victory. Beau and Lola already had their night together, but it wasn’t enough. They need more. And the more they need... the more they have to lose. *Night Call is volume two in the erotic romance Night Fever Serial. Reader discretion is advised due to mature themes intended for an 18+ audience. 44,000 words.*
