Major League Baseball has compiled the definitive instruction manual on learning to play the game. Fully illustrated with action photos of MLB stars illustrating key points and drills for each defensive position, this book also includes special tips from MLB players on batting, base running, the rules of the game, and coaching. Easy-to-follow instructions and diagrams of all the skills beginning players need to master the game--how to throw, hit, and field all the positions--while also promoting good sportsmanship. Each skill and position is presented separately, with photographs and drawings of a player executing the specific skill, advice on how to perform it, and when to use it, and the most common mistakes. Written and compiled by the best baseball instructors, coaches, and players in the world, this comprehensive how-to is informative enough to help even the brightest young stars shine brighter.
