GENERAL W. T. SHERMAN, MEMOIRS OF William T. Sherman

Often called the first "Modern General," the memoirs of this Civil War General are a fascinating read. We've included a number of maps in this "expanded" edition of the memoirs and added the tribute from James G. Blaine that was included in the Fourth Edition, published in 1891.

Text has been carefully reformatted to flow properly on the Kindle screen and the table of contents serves as a clickable index to the content of the book.

Another publication from Lost Packet Planet Press.
