Sociology: A Brief Introduction

Richard T. Schaefer

Sociology: A Brief Introduction Richard T. Schaefer

Like its predecessors, the seventh edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. An optional package combines Schaefer, *Sociology, Seventh Edition* and *Reel Society Interactive Movie 2.0* CD-ROM at nominal extra cost.

"The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and the offshoring of service jobs." Richard T. Schaefer
