**The Last Chance Collection** Hope Ramsay

**In this special four-book collection from bestselling author Hope Ramsay, travel to Last Chance, South Carolina, where love is just around the corner. . .**

Dear Reader,

I've owned the Cut 'n' Curl beauty shop for years, and I've seen folks come for a visit, then stay for a lifetime. Yes, our town is way off the beaten path, but wonderful miracles happen a lot around here-and they've happened to all four of my children!

In *Welcome to Last Chance*, you'll meet my son Clay who, ever since he left his country western band, has been playing everything too safe. But when he meets a pretty firecracker of a girl who's new in town, well, he and Jane soon realize they're singing the same tune.

My stock-car-driver son, Tulane, comes back to town in *Home at Last Chance*. And he's brought a young lady by the name of Sarah. She's just the sweetest girl you could meet-but mark my words, Sarah is tired of being a good girl. And no one is better at breaking the rules and raising Cain than my Tulane.

Growing up, my beautiful daughter, Rocky, wasn't much interested in the local boys, but who'd have thought she'd come home with English royalty? In *Last Chance Beauty Queen*, we meet Hugh, who's classy and handsome-but what do we know about him, really? I'm going to get to the bottom of everything, cause my little girl deserves the best.

And at long last, my prayers might just be answered for my oldest boy, Stone! He's a widower who raises his daughters by himself but, in *Last Chance Christmas*, he meets a lovely girl named Lark. It's clear Lark has been through some trouble and could use a place to finally call home. I only hope Stone can let go of his own past soon enough to keep her.

Listen to me, going on and keeping customers waiting. I best get back to work, but next time you're in Last Chance, be sure to swing by. We've got hot rollers, free coffee, and the best gossip in town.

See you real soon,

Ruby Rhodes

#### **Stacy Brooks:**

As a scholar exactly feel bored for you to reading. If their teacher expected them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart or real their passion. They just do what the professor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this The Last Chance Collection can make you experience more interested to read.
