The Sword and The Quest: Lady Merlin's Saga (Epic Fantasy) Kit Maples

In dying Camelot, a Druid princess is reborn to save King Arthur and smash the Saxon armies swarming into the last outpost of Roman civilization.

If you could, like a Merlin, live backward through time, romance, war, and love, you would confirm for yourself everything written in this saga about those terrifying years when the Roman Empire collapsed in chaos and war and abandoned on its bleak imperial frontier a place called "Ynys Prydein." And about the desperate men and women who grabbed up swords and spun magic to defend the Island of Britain against Saxon invasion and ruin as they searched for the greatest of Merlins to mold for them the true king who could save their world.
