(Recommended grades 2-6) Meet Jasper! A young boy who is totally absorbed with playing video games... *"With my game controller in my hands, I'm the boss of my whole world! I can be who I want and do as I please. I can get the highest score. I get all the chances that I need. If I make a mistake it's ok. Everyone thinks I'm 'it on a stick!' And the bad stuff all goes away."* Video game addiction is on the rise, but it can be prevented. This creative story book teaches both kids and adults how to switch out their game controller for a "life controller." Video gaming is becoming a part of our culture, and we must be strategic in creating a healthy gaming balance.
