Elijahba (The Hall of the Mighty Men Book 4) Cliff Graham

"In honor of the tenth year of Solomon, son of David, the beloved of the Lord, king in Jerusalem, I have been commissioned to record the chronicles of those warriors known as the Mighty Men for you, great king. They were the men who came to your father in his hour of need. They were the men who fought with him. They were men, and that is the highest that can be written of them..."

Elijahba is a mere boy who has been thrust into Saul's army as it hopelessly defends the mountains of Gilboa against a Philistine onslaught. He must endure the unthinkable in order to survive...and one day become a member of the elite Giborrim.

The Hall of the Mighty Men is a companion series to the Lion of War novels about the wars of King David. Narrated by Jehoshaphat, the historian of King Solomon, this collection of short stories expands the Lion of War literary universe and contains epic battles and adventures unable to be included in the novels.
