Engaging the Muslim World Juan Cole

Western society is suffering from Islam Anxiety?the product of fear-mongering and misinformation. There is a desperate need to debunk the myths concerning Islam in order to improve the political and ideological understanding between Muslim countries and their Western counterparts. Juan Cole, already celebrated for his rejection of stereotypes and his insistence on taking all perspectives into account, carefully sorts through and addresses all the major issues in Western - Muslim relations, including: terrorism, gas and petroleum dependence on the volatile Oil Gulf, the uncertainties of the Iraq War, and the little-understood regimes in Iran and Saudi Arabia.

With clear-eyed determination, Cole separates spin from fact, providing substantive recommendations for the next administration on how to engage with key countries such as Iraq, Pakistan, Afghanistan, and Iran. Finally, Cole reveals how we can repair the damage of the disastrous foreign policy of the last eight years and forge ahead on a path of peace and prosperity.
