## Middle Management in Academic and Public Libraries

Drawing from the contributions of 20 academic and public library middle managers, this book reveals knowledge, expertise, and insights on a variety of management topics and responsibilities.

- Addresses a wide range of middle management topics such as managing new managers of supervisors in the public library and balancing middle management and tenure-track responsibilities in an academic library
- Includes information contributed by knowledgeable experts on middle management within public and academic library environments
- Provides a bibliography of useful resources for middle managers with each chapter
- Contains an index providing access to many topics and authors cited in the book
