Naval Battles of WW1 (Pen and Sword Military Classics) Geoffrey Bennett

With the Call to action stations in August 1914, the Royal Navy faced its greatest test since the time of Nelson.

This classic history of the Great War at sea combines graphic and stirring accounts of all the principal naval engagements - battles overseas, in home waters and, for the first time, under the sea - with analysis of the strategy and tactics of both sides. Geoffrey Bennett brings these sea battles dramatically to life, and confirms the Allied navies' vital contribution to victory.

'Strongly recommended' RUSI Journal'

Excellent balanced accounts and judgments' Richard Hough
