Jessica knew that she was in over her head when she was called out by the pack leaders. They were reclusive in nature, unlike most of the pack living on the property. No one had ever told her why. No one had ever told her what to expect.

When she sees her two handsome Alphas in person, it's like the world drops out from under her. She's pulled into a passionate power struggle, which Damon and David seem all too happy to play. Holding as much love for one another as they do for her, she's forced into a world of passion and curiosity she never knew existed.

Author's Note: Mature audiences only. There are 3 bonus stories at the end of this book.
