The Imperial Infantryman's Uplifting Primer, Damocles Gulf Edition Matt Ralphs

"Pocket book of the Imperial Guard", styled in the form of an artefact of the 41st millennium, contains a wealth of information describing tactics, combat, enemies, prayers and much more all couched in a tongue-in-cheek, pseudo-propagandist rhetoric. This book is filled with numerous sketches and diagrams to accompany the text. This second edition has additional sections on fighting in space and combating the alien Tau.
