Rick Wayne

The Minus Faction - Episode One: Breakout Rick Wayne

"A modern, no nonsense take on superhumans." -amazon reviewer

THE MINUS FACTION is a super-powered sci-fi thriller about extraordinary abilities and how not to use them. In Episode One . . . Beaten. Burned. Broken. Capt. John Regent returns a paraplegic after escaping months of captivity and torture -- except no one knows who took him or what he disclosed.

When a government agent comes for answers, she discovers John's fantastical secret and sets him at war with his own country. But the veteran in the wheelchair has one last mission, and he'll fight off the powers-that-be long enough to save the life of a troubled soldier -- even if it costs John his own.

"Keeps you guessing, keeps you surprised." -amazon reviewer
