The Story of Never Ending Coincidences Conundrums and Encounters That Encompassed Me and Thee Derrick Stitt

"What if the pieces of life's jig saw could be fitted together in a different pattern?

How would the resulting mosaic appear?

Would we improve the picture, or are we governed by our fears and prejudices?

Would we like what we discovered, or would it still turn out, very different to our hopes and dreams?

This story is an adventure, no more of a saga, dealing with the many facets of a relationship and the mutual ambitions of a couple engaged in their race up the corporate ladder. It is the effect that these complicating influences have on the characters, that forms the main theme.

One miserable morning, when Rick is at particularly low ebb, and on the way to his usual weekly confrontational planning meeting, with his boss; he sees and falls for a most beautiful girl, Monica. He has not met her but feels that he knows her well. In a disastrous introduction, she is horrified by him. He then discovers, to his misery, that they have been brought together to set up part of a new look business at Raymond's behest, as part of his scheme to become the most successful director in Norway. There is an uneasy standoff until, Monica walks in to Rick's office late one evening, and starts a conversation with him. She talks as though they have been friends for many years, this throws Rick completely. They form a talented team, and succeed in implementing Raymond's scheme, much to his delight.

Initially, as the workplace becomes pressurised Monica seems to thrive in this hothouse atmosphere. After a euphoric start, Rick becomes more nervous and upset. The apparent changes in Monica intensify this anxiety. This situation begins to overwhelm him, and so, Rick seeks professional help, who delves into his earlier life, his feelings for Monica, as well as his aspirations. She discovers accidentally while trying hypnotherapy that Rick and Monica appear to have shared memories of a past experience.

Circumstances often serve to complicate matters further. On a crucial business trip to England, Rick is hospitalized after an accident; Monica tries to piece it all together, and save the deal, and she discovers the true extent of her talent and business acumen. Rick is a disoriented person who falls in Love with Monica all over again, but has huge difficulties in trying to rebuild his mind. He is sidetracked by other affairs. He is assisted in business by, Ibrahim, and a unique friendship grows.

Monica in contrast, develops from a rather insignificant start into a powerful business woman. When Rick is at his lowest ebb and contemplating suicide, he is rescued again in a surprising fashion."
