NOTE FROM THE AUTHOR

If you're in a creative rut, know that I've been there, too. I spent far too long struggling with my inability to write, and it negatively affected several aspects of my life. That's why I wrote *100 General Creative Writing Prompts* – because I know what it's like to feel creatively empty, and I want to help other writers beat their own blocks.

In this booklet, I've combined techniques from my days in university (I hold a Bachelor of Arts in Creative

Writing) with the real-world lessons I learned from writing my own fiction novels. The result? A list of 100 prompts to get your creative gears spinning. But that's all I can do. The rest is up to you.

Get back to writing today. Scroll up and hit buy now.

- Kate

P.S. Be on the lookout for future booklets – each with 100 more genre-themed fiction writing prompts!
