Footprints on the Ceiling

Dorcas Smucker

Footprints on the Ceiling Dorcas Smucker

Life can be a bit upside down in the Smuckers' Oregon farmhouse. Dorcas Smucker, mother of six, writes thoughtful essays about muffins on the floor, orange dots on the kitchen ceiling, and the footprint that began their journey. Daffodils, blackberries, independent kids, and a yowling kitty--they're all here too. Should they cut down the pine trees? Why does a yellow teapot mean redemption? How can a dedicated mom let go? Find out for yourself, and recall all the unexpected endings of your own.

From reader reviews:

Donald Taylor:

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have to do something to make all of them survive, being in the middle of typically the crowded place and notice by simply surrounding. One thing that sometimes many people have underestimated it for a while is reading. Sure, by reading a guide your ability to survive rises then having a chance to stay than other is high. For yourself who want to start reading the book, we give you this particular Footprints on the Ceiling book as basic and daily reading e-book. Why, because this book is more than just a book.

Corrine Switzer:

As people who live in often the modest era should be updated about what is going on or details even knowledge to make all of them keep up with the era which can always change and progress. Some of you maybe can update themselves by reading through books. It is a good choice for you but the problems coming to you is you don't know which you should start with. This Footprints on the Ceiling is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.
