## Moved By Faith: Stories From American Catholic Radio

Many of us feel awed and amazed when we hear stories of Catholics who put their faith into action in interesting and dynamic ways. We wonder if we will ever have the motivation and the courage and the perseverance to do the same.

Stories of Catholics who put shoes on the gospel are featured weekly on American Catholic Radio in its “Living Faith” segment that spotlights everyday people—lay, religious, and ordained—who live their faith in extraordinary ways. Some Catholics work in their communities, making “small” contributions that make the world a better, more Christian place. Others have nationally known ministries. All of the stories first featured on American Catholic Radio and now collected in *Moved by Faith* provide role models that like-minded Catholics can follow and turn to for signs of hope.

*Moved by Faith* provides refreshing new, ordinary role models for contemporary Christian living. It is an excellent gift for anyone learning about the Catholic faith.
