Canis Blackfang

OMEGA Captured (Desert Wolf #1) - M/M Gay Werewolf Shifter Mpreg Romance Canis Blackfang
The desert waste is a harsh and desolate place where only the strongest can live.

Zan is an omega breeder, an invaluable asset to his pack if they are to continue surviving in this unforgiving land. He's been protected and sheltered his entire life, kept hidden from the dangers that lurk among the dunes. Zan's heart longs for freedom.

Ripfang is one of those dangers. He's the alpha leader of the Red Moons, the most notorious wild pack of bandits known for terrorizing and raiding anyone who lets their guard down. Just his name can send shivers through the strongest alpha – and that's the way he wants it. Sometimes to survive, it's better to hide behind a mask than let people know the truth.

With the stars sparkling in the desert night sky the alpha and omega are guided together by fate, and their future is forever altered by the power that connects them.

OMEGA Captured is the first volume in the *Desert Wolf* series. This series contains steamy love scenes, a HEA, a strong omega, a dashing alpha, mpreg (male pregnancy), and thrilling adventure in exotic locales.
