#1 Best Seller in Motivational Management & Leadership

“Reading Originals made me feel like I was seated across from Adam Grant at a dinner party, as one of my favorite thinkers thrilled me with his insights and his wonderfully new take on the world.” —Malcolm Gladwell, #1 New York Times bestselling author of *Outliers* and *The Tipping Point*

“Originals is one of the most important and captivating books I have ever read, full of surprising and powerful ideas. It will not only change the way you see the world; it might just change the way you live your life. And it could very well inspire you to change your world.” —Sheryl Sandberg, chief operating officer of Facebook and #1 New York Times bestselling author of *Lean In*

The New York Times bestselling author of *Give and Take* examines how people can champion new ideas—and how leaders can encourage originality in their organizations

With *Give and Take*, Adam Grant not only introduced a landmark new paradigm for success but also established himself as one of his generation’s most compelling and provocative thought leaders. In *Originals* he again addresses the challenge of improving the world, but now from the perspective of becoming original: choosing to champion novel ideas and values that go against the grain, battle conformity, and buck outdated traditions. How can we originate new ideas, policies, and practices without risking it all?

Using surprising studies and stories spanning business, politics, sports, and entertainment, Grant explores how to recognize a good idea, speak up without getting silenced, build a coalition of allies, choose the right time to act, and manage fear and doubt; how parents and teachers can nurture originality in children; and how leaders can fight groupthink to build cultures that welcome dissent. Learn from an entrepreneur who pitches his start-ups by highlighting the reasons not to invest, a woman at Apple who challenged Steve Jobs from three levels below, an analyst who overturned the rule of secrecy at the CIA, a billionaire financial wizard who fires employees for failing to criticize him, and a TV executive who didn’t even work in comedy but saved *Seinfeld* from the cutting-room floor. The payoff is a set of groundbreaking insights about rejecting conformity and improving the status quo.

Review

“This extraordinary, wildly entertaining book sheds new light on the Age of Disruption. What does it take to make a meaningful difference? And how can you apply this insight to your own life? By debunking myths of success stories, challenging long-held beliefs of process, and finding commonality among those who are agents of profound change, Adam Grant gives us a powerful new perspective on not just our place in the world, but our potential to shake it up entirely.”

—JJ Abrams, director of Star Wars: The Force Awakens, co-creator and executive producer of Lost, and cofounder of Bad Robot
