GENRE: Children's Adventure

(An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen))

The Guardian, Kes, has gone through a great adventure in his first diary. Living in an Ocean Monument along with his friends and Elder Guardians, he met a human named Greg who tried to steal the golden blocks from their monuments.

Greg revealed to the Elders that the humans were in danger. After having their world taken away by enemies, the humans needed the golden blocks to build a powerful golden Beacon, which could grant them amazing power.

With this Beacon, the humans intend to take back their own land and kick out the invaders. The Elders agreed to help, and Kes joined Greg in his mission to reclaim their land.

During their journey, Greg and Kes must find all the golden blocks needed to complete the rest of the Beacon, over eighty blocks, and they will have to ask for help from all the Ocean Monuments in the area.

What they still don't know is that the human city located under the water is in grave danger – and the golden blocks they are gathering are also precious materials for others. What will happen to Greg and Kes during their journey? Will they be able to complete the Beacon to help the humans conquer their land once again?

Find all the answers in the next chapter of Kes' adventure, the Guardian, Protector of the Ocean Monument Diaries.
