XXX-Communicated: A Rebel Without A Shul Luke Ford

When Luke Ford, the youngest son of a heretical Seventh Day Adventist theologian, converted to Judaism in 1992, he burned his pornography collection, but his curiosity about the forbidden did not disappear in the flames. In the fall of 1995, Ford began investigating the San Fernando Valley's hardcore industry. On his website www.lukeford.com, he broke stories about HIV-infection, Mafia control, and pay-for-placement porn journalism. As his name began showing up in the newspapers and his face on television, Ford received an ultimatum from his rabbi-give up investigating porn or give up the synagogue. XXX-Communicated: A Rebel Without a Shul explores the tensions between freedom and friends, faith and reason, reality and religion.
