#### Awakening Within The Dream Lori Vuckovich

We are as ghosts, dwelling in this earthly realm in a lowly state of consciousness. We endure this nightmare of illusory slumber, yet we do no fully realize that we are dreaming. Just as ghosts are often unaware of their demise and stay in a dimension where they do not belong, we too seem content to stay within the realm of nightmares and horror, unable to find our way out. We have been born into a world that isn't real. We've been fed lies through religion's betrayal. We were never meant to be here, but there is a way to find our path back home. Within these pages is the urgency of Spiritual Remembrance. It is told through the lens of a darkened perception, so that many will embrace its comfort; for pain and suffering are so familiar to us. Through the darkness is the Light of our true Spiritual identity, long forgotten - yet awaiting our resurrection back to Unity.
