Baby It's Cold Out Bear: Holiday Bear Shifter Romance T. S. Joyce

****Baby It's Cold Out Bear was part of the USA Today Bestselling anthology, A Very Alpha Christmas. It can absolutely be read as a standalone short story.****

Emry Mason doesn't expect to be pulled out of an icy ditch by a registered bear shifter, and she certainly doesn't expect her rescuer to be as alluring as Graylan Young. He's rented a room at the house she lives in, and with every growly encounter, he's laying claim to her heart. But Graylan isn't much for the festive season, and to win Emry over, she has one rule. Must love the holidays.

Graylan is only in town for a little while before his inner animal will demand he move on. But when he meets Emry, his life is turned upside down. Not only is she beguiling and different from every woman he's ever met, but she has him wishing he could ignore his nomadic instincts. He might not be into the holidays, but suddenly all he wants for Christmas is to settle down with the woman he's falling for.

Content Warning: Explicit love scenes, naughty language, and piles of sexy shifter secrets. Intended for mature audiences.
