Rudolf Steiner

How Can Mankind Find the Christ Again?: The Threefold Shadow-Existence of Our Time and the New Light of Christ (CW 187) Rudolf Steiner
8 lectures, Basel and Dornach, Dec. 22, 1918 - Jan. 1, 1919 (CW 187)

“This is the goal toward which mankind strives through the new wisdom, in the new spirit: To find in the spirit itself the power to overcome egotism and the falseness of life, to overcome self-seeking through love, the sham of life through truth, illness through health-giving thoughts that put us into immediate accord with the harmonies of the universe, because they flow from the harmonies of the harmonies of the universe.”

?Rudolf Steiner

Steiner examines the inner history of Christianity, explaining its relationship to ancient Judaism, Hellenism, Romanism, Gnosticism, and Egypto-Chaldean initiation. He describes the hidden spiritual battle raging today and the need for a renewal of the mysteries in a modern form.

Today's road to Christ must involve a new, formative thinking whose Christian character is shown in the advent of selflessness, health, and a sense for truth. George O'Neil describes the nature of these lectures in his foreword:

"As always, Rudolf Steiner spoke freely without using notes. Most of his audience had studied—or were at least familiar with—his written works and the published lecture cycles on the Gospels and related themes. A similar background will be needed for reading *How Can Mankind Find the Christ Again?* Such a background will prepare the reader for challenges and vistas not encountered elsewhere. Steiner's message of the new Christ Light midst the shadow existence of our age speaks to the modern soul in search of a cognitive reach"

How Can Mankind Find the Christ Again? is a translation of « *Wie kan die Menschheit den Christus wiederfinden? Das dreifache Schattendasein unserer Zeit und das neue Christus-Licht* » (GA 187).
