## **My Husband, His Birthday, and the College Call Girl (And My First Lesbian Experience!): An FFM Ménage a Trois Erotica Story** Andrea Tuppens

I wanted to give my husband a threesome for his thirtieth birthday but I had no idea how to go about it. I really didn't want to do it with anyone I knew so I gave up on the idea and ended up taking him on a trip to Vegas instead, our go-to vacation and one of his favorite places. While he gambled, I walked around and came upon a bunch of publications listing call girls.

Call girls.

I hadn't considered that possibility but since his birthday was only a few days away, I sprang into action. Before long, I had things arranged with Crystal, a lovely college girl who promised to make things wonderful. Wonderful wasn't a good enough way to describe it!

Warning: This ebook contains very explicit descriptions of sexual activity and includes first lesbian sex, FFM ménage a trois, husband share, call girl sex, rough sex, and more. Only mature adults who won't find that offensive should read this story.

Here is a preview:

When he arrived a few minutes later, I stood by the table and the cake, and Crystal sat on the couch in the room. It was against the wall and not visible from the door. Thomas walked in and smiled at me. He walked up to me, not taking his eyes off me, and kissed me. When he broke off the kiss, he said, "Shall we light the candles."

I smiled. I was nervous as hell but I smiled. "Let's unwrap your present first," I said. "It's on the couch." He turned and I watched his face register shock. Abigail and I each wore a slinky cocktail dress, and with her legs crossed on the couch, she looked as sexy as possible. He just stood there, which I'd expected, and so the only part of the evening that was actively planned started then. "I better help you unwrap it," I said. I walked toward the couch, so damned nervous that it was a wonder I didn't fall over. I managed to keep my walk steady and even probably gave a pretty good show to my husband with the way my ass moved as I walked. Crystal was true to her word because as I stepped closer to her she immediately took control. My heart was still beating like crazy and I had absolutely no idea at all how to do a damned thing. I was excited but I was also terrified. I could feel the silk of the dress driving me absolutely wild just from the way that it hung from my body and how it slid over me with that amazing satiny feel. But, she stood up, showed none of my nervousness, and smiled up at me. Thomas finally walked up and stood right next to me and I could see how damned excited he was. Well, I guess I could feel how damned excited he was because I wasn't looking at him. I was looking at Crystal. My eyes were firmly fixed on her but there was something like sexual energy in the air and I knew he was about as excited as he could be. She smiled at him too and I thought it strange to feel a little bit of a burst of...I don't know, excitement? I felt whatever it was and no jealousy.
