The Scourge of the Swastika: A History of Nazi War Crimes During World War II Lord Russell of Liverpool

When discussing the German war crimes of the Second World War, modern histories have focused on the Holocaust. While the Final Solution was a unique and unparalleled horror, German atrocities did not end there. The Nazis terrorized their own citizens, tortured and murdered POWs, and carried out countless executions throughout occupied Europe. Lord Russell of Liverpool was part of the legal team that brought Nazi war criminals to justice, and from this first-hand position, he published the sensational, bestselling *The Scourge of the Swastika* in 1954. Liverpool shows that the actions of the Third Reich, including the Holocaust, were illegal, not merely immoral.
